## About the Company

- **Just For Fun The Dance Company** (JFF) was founded in February 1994 and was designed to meet the growing demand within the entertainment industry to provide trained performers and cheerleaders for sporting events and functions.
- In 2026 JFF celebrates 33 years as a dance company. We strive to provide each student with an aspiration to showcase their personal best and where desired to attain the highest standard of performance. Students gain confidence and experience through performing at our two Company concerts each year.
- JFF welcomes all ages and abilities. We run enjoyable, friendly and safe weekly classes for children from 3 years through to adults with no added pressure of competitions, examinations or extra rehearsals. 2026 will see the inclusion of our new pre-school 'Dance Sprouts' class tailored to children aged 18months-4years.
- Each class allows students to develop their skills across a range of modern dance genres. Dance styles are rotated throughout the year.
- All costumes are made for you by our specialist dressmakers with costume costs kept to a minimum.
- Our lessons are developed with a particular focus on 'having fun but still working hard'. Our students are encouraged to become technically proficient in their dance skills, building confidence & self-esteem in a non competitive environment.

## Specialist Classes - Recreational or Advanced

At **Just For Fun The Dance Company** you have options to help you decide how far or which direction you would like to take your dancing. Students can choose between taking social/recreational classes (Rainbow / Red / Yellow / Green / Purple) which are “just for fun and fitness” and include performing in our company concerts OR if you are interested in one of our advanced teams Tauri, Blue & Rubi Stars please contact JFF for audition dates.

In 2026 advanced teams are offered to students 13 years of age and over.

### Advanced Teams:

**Tauri Stars – 13+ years / Blue Stars – 15+ years / Rubi Stars – 17+ years**

Selections for our Advanced Teams are typically made via auditions or by teacher recommendation toward the end of the year. Students will be notified of audition dates closer to the time.

Advanced classes are designed to strengthen students’ skills in both dance technique and choreography. In technique, dancers train across a variety of styles and jazz-based exercises to develop coordination, flexibility, control, balance, musicality, posture, and alignment. In choreography, students work closely with teachers to create routines for performances and competitions.

Our Tauri, Blue, and Rubi Stars have the exciting opportunity to perform at selected regional dance competitions as well as various community events throughout the year.

Advanced classes allow us to group dancers according to their abilities, ensuring each student learns in an environment that best supports their skills, growth, and interests.

### Open Seniors: 18+ years

Our Open Senior class is designed for adults seeking enjoyable, intermediate to advanced dance training. It’s ideal for those who danced throughout their childhood or teen years and are now looking for a fun, active weekly class. Lessons offer a rich blend of movement philosophies and techniques, providing quality training without the competitiveness that advanced classes can bring. This class is perfect for adults who love the idea of dancing purely for enjoyment, confidence, and creative expression

### Yoga:

A contemporary yoga class that blends fitness and traditional practices from Vinyasa Flow and Iyengar Yoga. Each week, classes rotate through four distinctive styles: Glow & Flow, Vinyasa Flow, Yang/Yin, and Candlelit Restorative. Yoga aims to cultivate balance in body, mind, and spirit. Asanas are practiced in sequences or “flows” that emphasise alignment, breathwork, physical wellbeing, and stamina.

All ages, levels, and abilities are warmly welcomed.

### Dance Sprouts:

Our newest addition to the timetable, **Dance Sprouts**, is a joyful pre-school dance class designed to introduce young children to the foundations of movement in a playful, nurturing environment. Pre-school dance supports early childhood development by building coordination, rhythm, spatial awareness, social skills, confidence, and imagination through creative play.

Offered as a 45-minute lesson, children (together with a parent or caregiver) move through a series of fun, engaging activities that encourage motor-skill development, balance, musicality, and body awareness. Each session blends simple dance steps with games, storytelling, and exploration to support learning and connection.

Classes are held weekly only, with **no concert performances** for our Dance Sprouts, allowing little dancers to enjoy movement at their own pace without performance pressure.

## 2026 Schedule of Fees

### Fees Policy

Fees are calculated on a yearly basis and then divided into 4 equal term payments. Therefore, whether it is a long or short term, fees remain the same per term. For new students starting part way into a term, fees are calculated on a pro-rata basis. All existing students are required to pay for the full term, even if they have an extended absence.

### Payment Terms

All deposits & fees are strictly payable by week 3 of Term by cash or direct deposit and are non-refundable and non-transferable. If fees remain outstanding after the payment due date (the end of week 3 of each term), an administration fee of \$30.00 will be charged per account issued.

Members unable to pay their Term fees in full by the due date should contact JFF prior to the start of term to arrange a payment plan. Unless prior arrangements have been made, continued non-payment of fees will result in students being refused entry to classes.

PLEASE NOTE THAT FAMILY DISCOUNTS WILL BE VOIDED IF FEES ARE NOT PAID ON TIME.

*If accounts remain outstanding, with no contact or arrangements in place, the matter will be passed on to a collection agency.*

## Class Information

### What to wear

Neat practice clothing is required for all classes, e.g. tights/leggings or shorts, with a singlet or t-shirt. Please ensure it is something that can stretch and is easy to move in. Long hair should be tied back in a ponytail. Sneakers or bare feet are suitable for students who have just started however by their first concert performance students will need to have purchased appropriate dance footwear for the items being presented.

The regular shoe for JFF teams is **BLACK JAZZ SHOES**. These can be purchased as full sole or split sole, with laces or elasta bootie style. Dance stockists will be able to advise on which style suits your feet for optimal comfort and durability.

Older teams may be requested to supply dance sneakers, foot thongs or half soles as alternatives to jazz shoes.

Shoes and dance wear can be purchased from any dance retail store. We recommend:

- **Dance FX** 4/650 North East Rd, Holden Hill SA 5088 Ph: 8266 0666
- **Dance FX Shop** 2/227 Unley Rd, Malvern SA 5061 Ph: 0434 468 665
- **Emmsee** 779a Port Road, Woodville SA Ph: 8268 1155

Second hand shoes are often available for purchase through JFF, please enquire at your lesson.

### Performance Footwear (for Advanced Students)

Footwear for advanced team students often changes from term to term depending on the style of dance being taught. A range of dance shoes is required, however, if students are needing to purchase new shoes we recommend 'holding off' until we announce which shoes will be used for performances. JFF will advise students at the start of each term of the required footwear for performances.

### Attendance at;

#### Weekly Lessons -

Good attendance is imperative as absences and tardiness can hold back an entire class. Catch up classes or additional lesson time is not available. Please make every effort to be at all classes and advise of any known or planned absences. Advanced classes especially require a committed attendance otherwise your place in the team will be forfeited.

#### Concerts -

Concert performances provide many great benefits and allow students the opportunity to showcase their work in a formal theatre setting. The thrill of performing in front of a live audience, and the experience of being backstage help students to develop an appreciation for dance as a performing art. At concerts students improve their social and communication skills, learn how to work as part of a team and grow in confidence as their work is acknowledged. The increase in students enthusiasm and energy after a concert is always noticeable. **Concerts are a very special time for our students and we strongly encourage that concert dates are recorded early in the year to ensure availability.** Absence at concerts effects the entire team, as such, we ask that you advise as early as possible of any issues with concert dates.

### Parents and Friends Watching Weekly Classes

Parents, please be aware that your presence may be daunting to class members, so it is preferred that you leave the students alone while they take their lesson. Parents & friends may be invited at various stages throughout the term to enter the lesson and watch the last 5 minutes of class (always at the teacher's invitation).

For the comfort and wellbeing of our students we ask that phones are not used to record students work during viewing sessions - teachers are able to demonstrate choreography for recording on your request.
