About the Company

- **Just For Fun The Dance Company** (JFF) was founded in February 1994 and was designed to meet the growing demand within the entertainment industry to provide trained performers and cheerleaders for sporting events and functions.
- In 2022 JFF celebrates 29 years as a dance company. We strive to provide each student with an aspiration to showcase their personal best and where desired to attain the highest standard of performance. Students gain confidence and experience through performing at our two Company concerts each year.
- JFF welcomes all ages and abilities. We run enjoyable, friendly and safe weekly classes for children from 3 years through to adults with no added pressure of competitions, examinations or extra rehearsals.
- Each class allows students to develop their skills across a range of modern dance genres. Dance styles are rotated throughout the year.
- All costumes are made for you by our specialist dressmakers with costume costs kept to a minimum.
- Our lessons are developed with a particular focus on 'having fun but still working hard'. Our students are encouraged to become technically proficient in their dance skills, building confidence & self-esteem in a non competitive environment.

Classes

Recreational or Advanced

At **Just For Fun The Dance Company** you have options to help you decide how far or which direction you would like to take your dancing. Students can choose between taking recreational classes (Rainbow / Red / Yellow / Green) which are “just for fun and fitness” and include performing in our company concerts OR if you are interested in one of our advanced teams Yellow (Adv), Bronze, Silver, Gold & DancePRO+ please contact the Principal, Sue Nairn.

In 2022 advanced teams are limited to students 10 years of age and over.

Advanced Teams

Yellow (Adv) - 10-12yrs / **Bronze** – 13+ years / **Silver** - 14+ years / **Gold** - 15+ years

- Selection for advanced teams are normally made by audition or teacher recommendation late in the year (students will be advised of audition dates closer to the time)

Advanced lessons are developed to build students skills in both Dance Technique and Choreography. In technique students work across a range of styles and jazz exercises to further develop their ability in coordination, flexibility, control, balance, musicality, posture and alignment specific to technique. In choreography, dancers work with teachers developing routines that can be used in performances and competition.

DancePRO+ – 18+ years

DancePRO+ is an adult class designed to provide students with a high level of advanced training. Dancers work with a range of choreographers and industry artists offering a variety of unique movement philosophies and techniques. DancePRO+ is a JFF initiative to train dancers who are looking to enhance their performance skills, technique and artistry for professional industry work. This class is offered as an open advanced class to students dancing at a technical ability of Silver/ Gold standard.

ELECTRONIC BANK DIRECT TRANSFER DETAILS

BANK NAME: Commonwealth Bank **ACCOUNT NAME:** Just For Fun The Dance Company

If Cash payments need to be made fees should be placed in an envelope clearly marked with students name, team and amount enclosed.

IT IS IMPORTANT THAT FEES ARE PAID ON TIME

While the vast majority of our families pay their dance fees on time, it costs us a significant amount of time and money to follow up on unpaid bills and pursue bad debtors each year.

A \$30.00 late payment fee is added to every invoice that is not paid by the due date.

What if I can't pay my bill by the due date?

We understand that families can sometimes have difficulty paying on time. If this happens, you should email info@jffdance.com.au or call 0400 906 902 before the due date to discuss payment arrangements.

PLEASE NOTE THAT FAMILY DISCOUNTS WILL BE VOIDED IF FEES ARE NOT PAID ON TIME

A NEW ACCOUNT WILL BE ISSUED LESS THE DISCOUNT.

If accounts remain outstanding, with no contact or arrangements in place, the matter will be passed on to a collection agency and any fees associated with this will be passed on to you.

Attendance at;

Weekly Lessons -

Good attendance is imperative as absences and tardiness can hold back an entire class. Catch up classes or additional lesson time is not available. Please make every effort to be at all classes and advise of any absences. Advanced classes especially require a committed attendance otherwise your place in the team will be forfeited.

Concerts -

Concert performances provide many great benefits and allow students the opportunity to showcase their work in a formal theatre setting. The thrill of performing in front of a live audience, and the experience of being backstage help students to develop an appreciation for dance as a performing art. At concerts students improve their social and communication skills, learn how to work as part of a team and grow in confidence as their work is acknowledged. The increase in students enthusiasm and energy after a concert is always noticeable. **Concerts are a very special time for our students and we strongly encourage that concert dates are recorded early in the year to ensure availability.** Absence at concerts effects the entire team, as such, we ask that you advise as early as possible of any issues with concert dates.

Parents and Friends Watching Weekly Classes

Parents, please be aware that your presence may be 'off putting' to class members, so it is preferred that you leave the students alone while they take their lesson. Parents & friends may be invited at various stages throughout the term to enter the lesson and watch the last 5 minutes of class (always at the teacher's invitation). For the comfort and wellbeing of our students we ask that phones are not used to record students work during viewing sessions - teachers are able to demonstrate choreography for recording on your request.
